

GROVE PARK & BEYOND – NOVEMBER 2024

Wednesdays at 10.30

All walks start at the Ringway Centre, 268 Baring Road – unless otherwise stated

We walk for up to 90 minutes

We never cancel walks but may sometimes need to change the walk on the day

6 November **Forster Park – Linda C**

We will meet at the Ringway as usual. I cannot make this walk, but luckily Linda has stepped in at short notice to cover it.

13 November **Waterlink Way from Catford to Bell Green**

After meeting at the Ringway we will catch the 136 bus to the Lewisham Park stop and then walk through a churchyard to join the Waterlink Way in Ladywell Fields. The route goes south through Catford and Bellingham, ending in Bell Green, near a large Sainsbury's and a retail park.

20 November **To Lee Green via three parks**

We will walk through Northbrook Park, Manor Park and Manor House Gardens. Buses from Lee Green.

27 November **Island Garden Circular - Ruth**

We will meet at the Ringway and then walk to Grove Park Station in time to catch the 10.51 train to Lewisham, followed by the DLR to Island Garden. This is a varied walk. After crossing Millwall Park and allotments we will walk through the small Mudchute Farm, and then around the large Millwall Dock and the Millwall Slipway where it enters the Thames. On our return journey we will follow part of the Thames Path.
