

GROVE PARK & BEYOND – SEPTEMBER 2026

Wednesdays at 10.30

All walks start at the Ringway Centre, 268 Baring Road – unless otherwise stated.

We walk for up to 90 minutes.

We never cancel walks but may sometimes need to change the walk on the day.

2 September	Local walk
--------------------	-------------------

This walk will take in Chinbrook Meadows, Shafersbury Park and playing fields before ending by a bus stop in Downham Way. Optional café visit around the corner.

9 September	Foot's Cray Meadows – Meet at Lee Station!!!
--------------------	---

We will meet on platform 2 at the normal 10.30 time and catch the first available train to Albany Park. On this occasion we will head straight to the Five Arch Bridge using a different route than normal. The walk will end at Sidcup Place, with plenty of buses nearby.

16 September	Catford to Lee Green
---------------------	-----------------------------

For this walk we will take the 284 bus to Catford Bridge and then walk from there through Ladywell Fields, Lewisham Park, Manor Park and Manor House Garden. The walk will end in Lee Green.

23 September	Blackheath via three parks
---------------------	-----------------------------------

We will walk from the Ringway to Blackheath via three parks: Horn Park, Sutcliffe Park and Cator Park. The walk will finish by Blackheath Station.

30 September	Hall Place - Meet at Lee Station!!!
---------------------	--

We first visited Hall Place in 2013 and a few more times after that. A couple of years ago I discovered that our route through a farm was no longer available, nor did it appear possible to approach Hall Place the way we used to. After many attempts, I have settled on an alternative way to get there. We will meet at Lee Station (see 9 September walk). Return by bus.

Walk leader: Sonja - 07836 548870
